# FACTS ABOUT BAYLOR

Founded in 1845 under the motto, "Pro Ecclesia, Pro Texana" (for church, for state), Baylor was born an ugly duckling at a small Texas town called Independence. But the duckling developed into a swan as Baylor emerged from a one-teacher, one-building enterprise at Independence to become the largest Baptist university in the world at Waco.

The university, Texas' oldest in continuous existence, was named after Judge Robert Emmet Bledsoe Baylor, supreme court justice of the Republic of Texas, a Kentucky native who was a veteran of the War of 1812 and member of the Kentucky Legislature before moving to Texas. Judge Baylor founded his university along with the Rev. James E. Huckins, native of New Hampshire who became principal of the first public school to be opened in Texas at Galveston; and the Rev. William M. Tryon, native of New York City who became chaplain of the Congress of the Republic of Texas.

These three men had a dream that came true—to establish a Baptist university where their children would be well-educated in a Christian tradition.

Today, Baylor is owned by the Baptist General Convention of Texas, and, of its 8,000-plus students, about 70 per cent are Baptists. It is located off IH 35 on the banks of the Brazos River in Waco, a city of about 100,000 persons in Central Texas, about half the distance between Fort Worth-Dallas and Austin.

Baylor offers about 20 degrees in about 50 major areas of concentration.

The Baylor student may study in any one of six schools: business, education, graduate, law, music and nursing; or in the College of Arts and Sciences. In addition, the Baylor University system includes the last two years of the School of Nursing and the Baylor Medical Center in Dallas. Also available are two graduate and 25 undergraduate allied health sciences programs under the auspices of the Baylor-U.S. Army Academy of Health Sciences affiliation in San Antonio.

The university's academic program is enhanced by such Baylor extras as the Armstrong Browning Library, which houses an internationally famous collection of materials relating to the works of Robert and Elizabeth Barrett Browning; The Texas Collection, one of the largest collections of materials relating to Texas subjects in existence; the John K. Strecker Museum of natural history, with continuous exhibitions concerning several areas of the sciences; and the Moody Memorial Library, with more than 600,000 volumes.

About 100 student organizations offer the Baylorite opportunities to get involved in service, social, religious, and professional and honorary capacities. Religious activities are directed through the Office of Religious Activities that sponsors the Baptist Student Union. Cultural events such as concerts and recitals sponsored by the music school; drama by the Baylor Theater; and films, rock concerts and entertainers sponsored by the Baylor Student Union, round out Baylor's social scene.

Sports at Baylor thrive. As a charter member of the Southwest Conference, the Bears play exciting football in Baylor Stadium. Also offered are basketball, track, baseball, tennis, swimming, golf and others. New to the Baylor scene is the Baylor Recreation Center on the banks of the Brazos River, which features a marina offering all kinds of water sports and an outdoor swimming pool. Future plans for the recreational area include a golf course, baseball complex, and nature trails.

Baylor is proud to provide a fine education at a reasonable cost. Only one major private university in the nation is less expensive than Baylor and there is no additional charge for out-of-state students.

# THE OUTLOOK...TEAFF'S OPTIMISTIC

Baylor Head Coach Grant Teaff is a born optimist, a football realist and above all, honest as the day is long.

As he looks toward the 1976 football season at Baylor, his fifth, he sees a vastly improved team over last year and the makings of a club that could be his best ever at the Baptist school. Recalling the miracle finish of 1974 that produced the school's first SWC championship in 50 years, this may seem presumptuous.

However, let's look at the statistics. Returning are seven starters (eight if you count Alcy Jackson at wingback) on an offensive unit that established a new school record of 3,960 yards; seven defensive starters are back; the school's all-time rushing leader in Cleve Franklin (1112 yards on 200 carries); and an offensive line that "will be the biggest, the best, the fastest, and the most experienced that I've ever had."

Dampening Teaff's enthusiasm is the fact that the three teams that tied for the conference championship last season, Texas, Arkansas, and A&M are all loaded once more; Texas Tech returns not one but two established quarterbacks with a host of other quality players; and the others in the loop, newcomer Houston, SMU, Rice, and TCU have the potential to blow any of the pre-season favorites out of the tub on any given Saturday.

Spring training provided Teaff with a few pleasant surprises. First and foremost was the development of 6-2, 233-pound soph Ronald Barnes at center. Teaff said that Barnes is the "best natural center I've ever had" and considering the fact that three years ago Aubrey Schultz was an All-America, that's praise indeed for a youngster.

Also coming into his own in the spring was wingback Greg Hawthorne, a 6-2, 214-pound soph letterman speedster who reminds Bruin followers of Phillip Kent off the championship 1974 unit; defensive end Sam Hancock, the "Tommy Turnipseede" of this year's team who had been used sparingly as a redshirt quarterback, defensive rover, cornerback and linebacker in his four years on the campus but who was voted the most improved defensive player of the spring; and of course, quarterback Mark Jackson, the one on whom the spotlight shines the brightest.

Jackson received what was believed to have been a broken shoulder in the first game of the season last year. It was later diagnosed as a separation and he came back to play with credit in the final stages of the season. "There is no way of telling just what extent that injury handicapped Mark, physically and mentally last year," Teaff recounts. "This year he's had a fine spring, is about a step faster and throwing the ball super. He could be a very important cog in our future."

The offensive line makes Teaff's eyes shine. With Barnes established at center, three-year letterman Gary Gregory moves back to his favorite position at tackle where he would be a serious contender for "All" honors. Rell Tipton, another three-year starter is among the league's finest at guard. Mark Grayless has blossomed into a fine technique blocker and Jon Kramer's knee problems appear to be behind him and he's going to be starting for the third season.

"The plus you have to look for in any offense is the line," Teaff points out. "It all spokes off that hub. You can have a great quarterback, great receivers or great running backs, but unless you have the good line, none of that means much."

Teaff is also up to his ears in fine receivers. Tight end Ronnie Lee, 6-4, 262 caught only 10 last year for 208 yards as a freshman, but one of those catches was an 80-yarder for a touchdown against the Aggies in which he brushed aside a pair of All-SWC cornerbacks en route to touchdown land. He can block with the best and is destined for All-America honors. David Steven, 6-3, 213-pound senior three-year letterman had his best spring and will press Lee all the way.

At split end are Alcy Jackson and Tommy Davidson, a dandy pair who had fine springs. Jackson, alternating at both split end and wingback last year, caught 17 for 237 yards and a touchdown against Texas, while Davidson brought in eight for 135 yards.

Franklin heads an impressive set of running backs. He's getting bigger (217 pounds), is still 4.6 and has tremendous power. Coming into the spotlight behind him will be former Kilgore JC All-America Gary Blair, a carbon copy of the famed Steve Beaird off the '74 unit.

At fullback veteran Mike Ebow gives power and great blocking ability and Hawthorne can be outstanding at wingback.

Defense is the big question.

Flynn Bucy returns at tackle, and the 6-2, 235-pound LaMarque senior is among the best in the business. He'll be paired with juco transfer Royal Stevens, a 5-11, 235-pounder who reminds one of the immortal Joe C. Johnson. Gary Don Johnson, a talented soph letterman returns at noseguard. He's "down" to 255 pounds and has better quickness and more savvy.

Defensive ends should be in great shape with Hancock and three-year letterman Keavin McDonald. Ditto the linebackers, returning starters Johnny Slaughter and Tim Black. But, behind those four are some openings that are going to have to be filled. That's where depth becomes a potential problem.

Teaff's secondary appears to be the best in the league, and maybe in the nation. Two performers, rover Ron Burns and cornerback Gary Green, have been chosen on pre-season All-America teams and safety Mike Nelms set a new school record with three interceptions against Rice last season. Steve Brothers, a 6-1, 185-pound soph sensation of spring training, is the fourth man in the potent quartet that has ample backup strength in Scooter Reed, Tony Green, etc.

Teaff is optimist about his defensive warriors. "I think if we can develop some confidence in our early games, the defense will come right along. We have the leadership and the talent.

"I think we will have a good football team, a sound football team that will be able to move the ball," Teaff says. "This could be the best team we've had since I've been here. So much is going to depend on what kind of start we get. We need to build up that defensive confidence but we have to start against some fine offensive teams, Houston, Auburn, Illinois, and South Carolina.

"I do predict this: The 1976 Bears will be competitive . . . and maybe big winners, too."

## COACH GRANT TEAFF LOOKS AT THE BEARS

**QUARTERBACKS:** After Mark Jackson received a broken shoulder in the first game of the 1975 season against Ole Miss, he never quite lived up to my (and his own) expectations. This last spring Mark was fully recovered, and if he can stay healthy, it is my opinion that he will be one of the top quarterbacks in the whole Southwest next year. His speed has improved and of course, his experience last year has added to his effectiveness. Depth at quarterback is a major problem. Charlie Parker returns, after having started two or three games in the 1975 season, and should be an excellent backup man.

**TAILBACK:** Cleveland Franklin broke the rushing record last year; although missing most of the final game, I expect him to be one of the outstanding running backs in the country in 1976, and Cleveland has never disappointed me. Behind Franklin is junior college transfer Gary Blair, who has excellent balance, is very tough, and will give us a tremendous one-two punch in the tailback position.

**FULLBACK:** Mike Ebow, a senior fullback, will get the nod at the beginning of the season. He has developed into an above average blocker and a very fine runner. Sophomore Steve Howell will also play that position and should play an awful lot of football. Steve is one of the most gifted athletes I have coached, and as soon as he learns a little more about using his 225 pounds he is going to be truly outstanding.

**WINGBACK:** Wingback position was a problem for us last year in

that we never really found a replacement for Phillip Kent, but this year Greg Hawthorne and Greg Alexander look like sure bets to give us the added dimension of the wingback position from our slot formation.

**RECEIVERS:** We have been blessed the last several years with outstanding receivers at Baylor, and this year is no different. Alcy Jackson and Tommy Davidson can catch the ball with the best of them. We plan to alternate these two men in the 1976 season, and I expect both of them to rank very high in the season standings.

**OFFENSIVE LINE:** I do not want to put undue pressure on our offensive line, but I will by saying that this is the best offensive line that I have ever coached. We have size, speed, and experience. Rell Tipton and Jon Kramer give us two outstanding guards; Gary Gregory and Mark Grayless give us experience and size at the tackle position. Ronnie Lee and David Steven are two of the top tight ends in our league, and that speaks for itself. Ron Barnes established himself as our starting center last spring, though he had never played the position before. He is another Aubrey Schulz. Billy Clements gives us good backup strength at center or tackle. David Sledge gives us excellent strength at guard.

**TIGHT END:** Ronnie Lee is a dedicated young athlete who tries to prove himself every time he steps on the football field. He has great hands, is an excellent blocker and has tremendous speed for a young man of his size. David Steven gives us the opportunity to run a two tight end offense. David has had experience, plus he has 4.6 speed and great hands.

**DEFENSIVE ENDS:** Keavin McDonald is a reliable veteran who seldom makes mistakes. Ricky Rand makes a few mistakes, but he makes up with his height, size and speed. Sam Hancock is a success story of last spring, having played several positions and never really caught on at any one, has now become a starting defensive end. He is backed up by Cris Quinn and possibly Allen Stone, if he is recovered from a knee injury. Defensive ends could develop into a strength for our defense.

**DEFENSIVE BACKS:** I see no reason why this will not be the best defensive secondary that we've had in the last four years here at Baylor University. Experienced Gary Green, Ron Burns, Mike Nelms and Scooter Reed are all outstanding athletes and great hitters. Steve Brothers, who was a starter at corner position this spring, does not have the experience, but has tremendous speed. Tony Green will play an awful lot of football for Baylor in 1976.

**LINEBACKERS:** Tim Black was injured most of the 1975 season, but had a spring without injury. If this continues, Tim will be one of the outstanding linebackers in our league. One who already is one of the outstanding linebackers is Johnny Slaughter. Slaughter has very little overall speed, or what some people call talent, but he has a heart that weighs about a hundred and ninety-five pounds and great desire. He is where the football is. Shane Nelson was injured this last spring and is recovering from a knee injury and is a question mark, but a fine football player if he is well. The turf-monster as our players call Jerry Harrison develops a little bit every time he steps on the field and will be an asset to us.

**NOSEGUARDS:** The noseguard position is always a problem when you run an odd man front. Gary Don Johnson continued to improve throughout the spring, and if he can become consistent will become a great football player. Jay Allison is a backup man at that position, and we could possibly move one of our defensive tackles to this position to give us depth.

**DEFENSIVE LINE:** Flynn Bucy was voted the outstanding defensive player in the spring by his fellow teammates. I have no doubt that he will carry that momentum into the 1976 season and be truly outstanding. Gary Hutchison, Thomas Brown, Royal Stevens and Tom Caldwell give us size and depth. All we need at that position is experience, and that will come in 1976.

**PROBLEM AREA:** On offense, the wingback position is unproven, the depth at quarterback is a constant worry, as well as the elimination of those costly turnovers that plagued us in 1975.

Defensively, I would have to say that developing confidence is the main thing that worries me. I think we have good solid people at all positions, though they lack experience, and as we progress and gain confidence, we can become a very solid defense.

## HEAD COACH GRANT TEAFF

In an action-packed four years as head coach at Baylor University dynamic Grant Teaff has: (1) given the school a Southwest Conference championship and a berth in the Cotton Bowl; (2) been elected by his coaching peers as national coach of the year; (3) been chosen as coach of the year by the FCA; (4) been chosen as head coach in three national All-Star games; (5) been named twice as Southwest Conference coach of the year; (6) produced a best-selling book about his life; (7) been elected vice president of the Texas Baptist Convention which owns and oversees the operations of Baylor University; and (8) been bestowed with an honorary Doctor of Humanities degree by his alma mater, McMurry College.

Teaff wasn't able to repeat as champion in the hectic 1975 Southwest Conference race, but his young Green and Gold warriors established a new school single season rushing record and gained national attention when nationally-ranked Michigan had to come from behind to salvage a 14-14 tie before 104,248 fans, the third largest crowd in intercollegiate history at that time.

Admittedly the 1975 season was a disappointing one for the positive-thinking young mentor, but it merely intensified his recruiting efforts to try to regain the throne room in 1976. Doing the impossible has been Teaff's trademark since he began his coaching career—and "I Believe" his motto.

In 1972 Teaff's Bruins surprised the sports world by posting a 5-6 record and he was acclaimed the SWC coach of the year. In 1973 the Bears, beset with injuries, wound up at 2-9, but in 1974 it all came about—Baylor's first SWC championship since 1924 and the school's first-ever Cotton Bowl berth.

Last season the Bruins got off to a good start, defeating Ole Miss and tying nationally-ranked Auburn and Michigan, then bowed to South Carolina and never regained the early-season level of efficiency.

Grant Teaff was the youngest college head coach in the country at his alma mater, McMurry College. Taking over a team that had been at the bottom of the small college ranks, Teaff posted three strong seasons before the school dropped scholarships. A lesser person would have jumped the ship, but Teaff felt an obligation to the youngsters he had recruited and stayed three more seasons until he was able to get a scholarship program reinstated.

In 1966 he was hired as an assistant coach and recruiting coordinator at Texas Tech and brought in many of the players who represented the Red Raiders in bowl appearances.

In 1969 he undertook another challenge, moving to Angelo State University where the football program was at low ebb. He had consecutive 6-4 seasons, then moved to a 7-3, including a win over National NAIA champion Texas A&I when the Baylor opportunity presented itself, and he moved to Waco for another rebuilding chore.

Teaff is one of the nation's most sought-after speakers, traveling from coast to coast to share his Christian testimony and love for Baylor University in highly-motivating speeches to the youth of the land and at the nation's top football clinics where he explains X's and O's to fellow coaches. Last year he was featured all over the nation at the Kellogg's Coach of the Year Clinics. The Texas Baptist Convention made history last fall by electing Teaff as vice president, one of the few times a layman has been accorded such honor.

"Baylor University is a great university. It has great tradition. It is unique unto itself. There is no reason in the world why Baylor University cannot compete on the gridiron just as it does in the academic world," he proclaims.

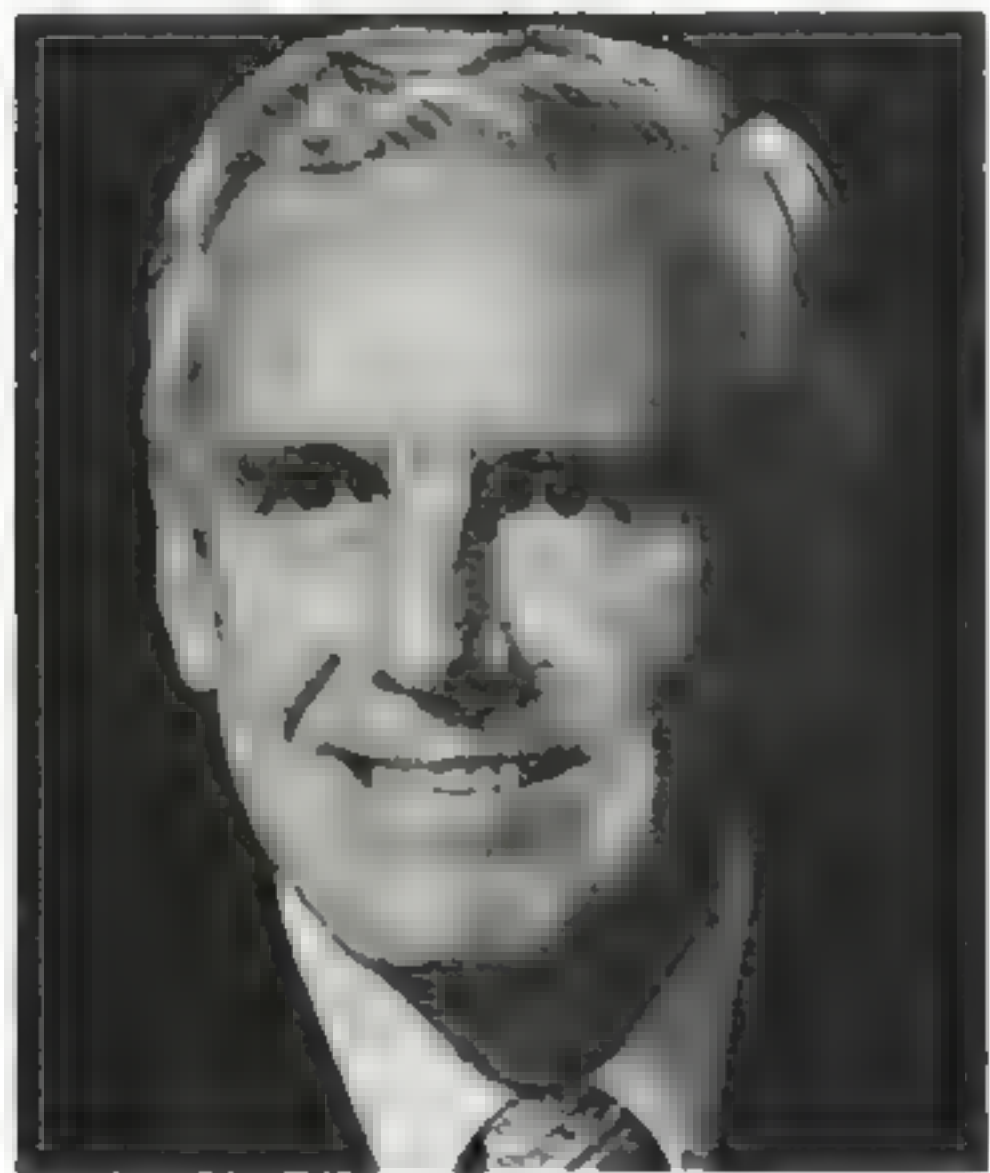

Teaff was an outstanding athlete at Snyder High School, being awarded the Carl Herod trophy as the top athlete his senior year. He played two years of junior college football at San Angelo College, then was an All-Texas Conference linebacker-offensive tackle at McMurry. Upon graduation in 1956, he was assistant coach at Tom S. Lubbock High in Lubbock one season, then returned to his alma mater as assistant football coach and head track coach.

Teaff is married to former Texas Tech cheerleader, Donell Phillips of Plainview. The couple has three daughters, Tammy 19, a Baylor sophomore; Tracy 16, and Layne 10.

National Coach of the Year, All-Star coach or whatever, Grant Teaff will always get the job done. As Jim Trinkle of the Fort Worth Star-Telegram typed: "Basically Teaff's success at Baylor may be attributed to a couple of words: He cares."

## **JACK PATTERSON**

### **ATHLETIC DIRECTOR**

A first-class athletic program must reflect the character, know-how, and initiative of a first-class administrator, and Baylor University has a true champion in Jack Patterson.

Since returning to the Baptist campus in January, 1971 from the University of Texas where he served as head track coach and assistant athletic director, Patterson has made many innovative changes in the athletic department physical plant, and isn't satisfied yet.

New and improved office facilities, new and improved athletic dining facilities, a new athletic dormitory wing, AstroTurf playing surface at Baylor Stadium and a new green CHEVRON 440 track surface at Baylor track — all

have come from the expert guidance of the lanky West Texas native who once served Baylor as its head track coach.

Patterson replaced an institution as athletic director at Baylor—the veteran Bill Henderson—after serving the school seven seasons as track coach. He won three Southwest Conference championships for the Green and Gold, then moved to Austin where he repeated the feat at the University of Texas.

“Coach Pat” graduated from Rice in 1939 and began an illustrious coaching career in his home town of Merkel in West Texas. He moved to San Angelo for three years during which the school won the state championship in football. He then returned to Merkel as coach of all sports in 1944 and one year later went to the University of Houston where he had a successful 11-year tenure as track coach and football aide. His sprint relay teams won national acclaim and in 1956 he was called to Baylor to head up the track program.

During his first Waco stay, Patterson's teams established 38 school records and captured three SWC crowns. He moved to Texas in 1963 and won his first title there in 1966. He closed out his coaching career with back-to-back championships in 1968 and 1969.

“I don't guess I'll ever get completely away from the field,” Patterson said when he accepted the athletic director's position. “But, I can still glory in the work that my associates are doing and hope that by working together we can restore the Green and Gold to its rightful place in the athletic world.”

Patterson is married to the former Lois Whiteley and points with pride to his two children, Mrs. David Sibley of Dallas and Dr. Jack C. Patterson, Dallas dentist, and his grandchildren.

## **BILL YUNG**

### **OFFENSIVE COORDINATOR**

Pride and patience are the trademarks of Baylor offensive coordinator Bill Yung, who in just three years has established himself as one of the outstanding offensive line coaches in the business.

The 41-year-old former TCU great started preaching “Pride” when he came to Baylor with Head Coach Grant Teaff back in 1972, and it paid off in 1974 with the school's first Southwest Conference championship in 50 years and first Cotton Bowl berth ever.

Patience is the trait that best explains Yung's coaching techniques.

Extremely good with the young athletes, Yung developed such line stars as Jon Kramer, Rell Tipton, Gary Gregory, and Mike Hughes, and produced the school's second first team All-America in the three-year tenure, center Aubrey Schulz.

Teaff says that Yung is the best, and coming from the 1974 consensus National Coach of the Year, that's praise indeed.

Yung came to Baylor from Grand Prairie where he wound up a high school coaching career with a won-loss record of 48-20-4.

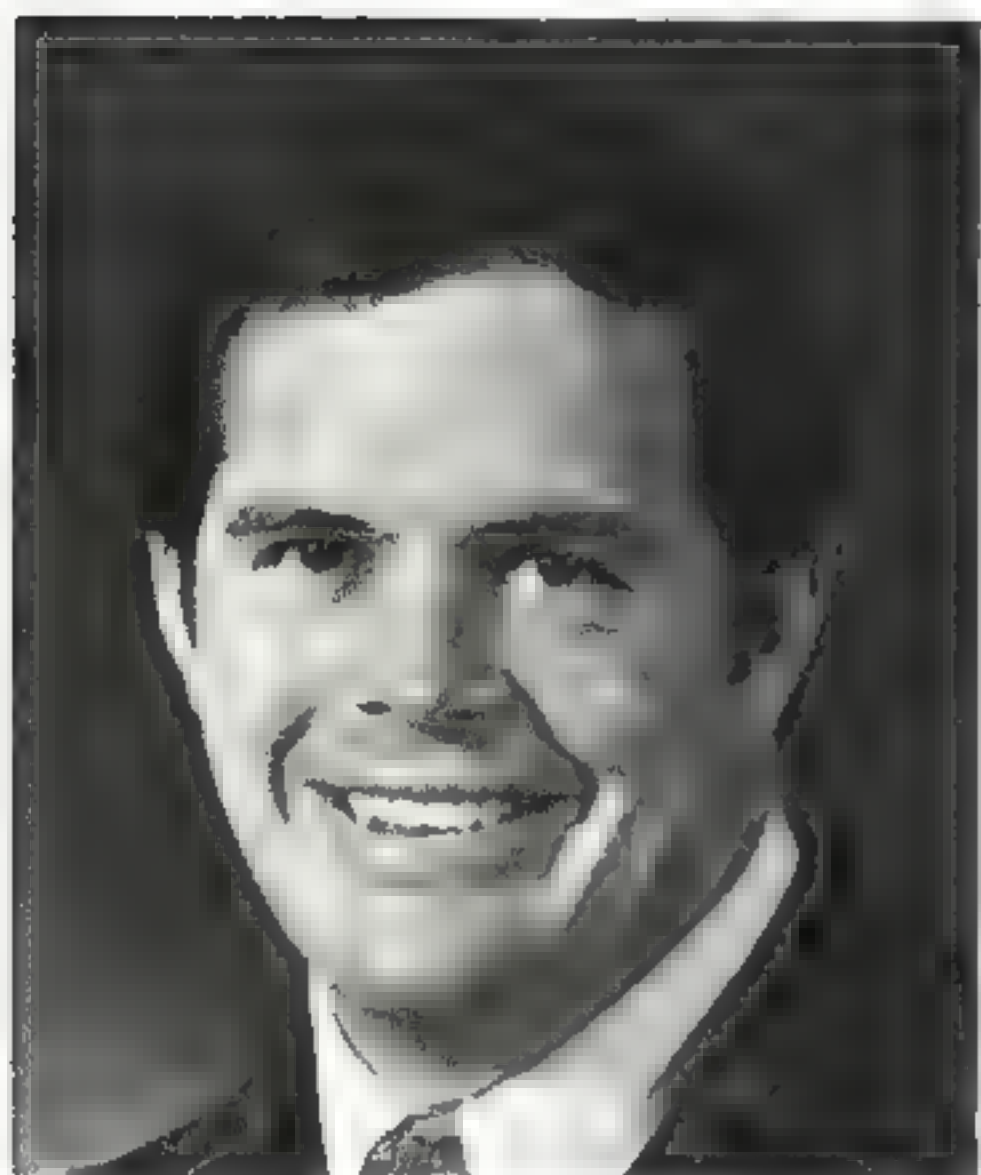

A former Ranger High all-district tackle, Yung was a redshirt at TCU in 1952. He lettered the next three years at guard and was a member of the 1956 Cotton Bowl team. In 1956 he served as associate freshman coach at TCU, then was line coach under Chuck Curtis at Garland High School from 1964 through 1967 when the team won one state championship. ## CLARK (CORKY) NELSON

### DEFENSIVE COORDINATOR

Baylor defensive coordinator Clark (Corky) Nelson is a prime example that good coaches achieve success, regardless of the league or the competition involved.

The 37-year-old San Antonio native took over as boss of the defense in the spring of 1974 after leading John Tyler High School of Tyler to the Class AAAA state championship in 1973. The Bruin defense, which had taken its lumps the year before, developed into one of the finest in the Southwest and was an integral part of Baylor's march to the conference cham-

pionship and berth in the Cotton Bowl, and produced NEA All-America linebacker Derrel Luce.

Nelson, who once attended Baylor as a premed major, was no newcomer to collegiate coaching ranks, having worked with the defensive line and linebackers for two years at North Texas State University before moving to Tyler. At John Tyler his teams had a 26-8-1 record in three years.

Nelson graduated from Thomas Jefferson High School, San Antonio, in 1956. He spent the next two years at Baylor University as a premed major, then enrolled at Southwest Texas State College in San Marcos where he made All-Lone Star Conference center-linebacker in 1962. He received his bachelor's degree in January, 1963 and his master's degree the same summer. He served as track coach and first football assistant at Alamo Heights High School in San Antonio in 1964 and then was at San Antonio Harlindale two years as assistant and two years as head coach, compiling a record of 9-9-2 as head mentor.

Nelson is married to the former Mallory Raymond of Carlsbad, N.M. and is the father of three daughters, Tracy, 14, and twins, Carolyn and Kerie, 9.

## FRANCIS (COTTON) DAVIDSON

### QUARTERBACKS, RECEIVERS

Coach Grant Teaff hit the jackpot when he reached into the professional ranks to lure Francis (Cotton) Davidson to his Baylor staff. Not only did he get a man with vast college and professional playing experience, but one sought then (and now) as a pro coach. And, the bonus was that Davidson is a former Baylor star with ties to the alumni and supporters.

The Gatesville native is credited with the development of quarterback Neal Jeffrey and receivers such as Charley Dancer, Ricky Thompson and Alcy Jackson.

Davidson declined an opportunity to remain with the Oakland Raiders as offensive coach to return to Baylor where he had previously been a member of John Bridgers' staff.

Davidson was an all-state quarterback who was redshirted at Baylor in 1950, then was a defensive starter in 1951. The next two years he was the starting quarterback, completing 127 of 312 passes for 1871 yards and 11 touchdowns. He was co-captain of the West team in the Shrine East-West classic and played in the College All-Star game. He was the number one draft choice of the Baltimore Colts and started three games as a rookie in 1957 as alternate behind Johnny Unitas. He went to the Canadian League

and played one year before injuring a shoulder and in 1959 came to Baylor where he helped John Bridgers install the Colt offense. In 1960 he joined the Dallas Texans and made the all-star team and was voted the all-star game's most valuable player. He went to Oakland in 1962 and made the 1963 all-star team. He remained active until reinjuring his shoulder in 1966 and finished out his career as player coach and scout.

He is married to Baylor-ex Carolyn Mabry. The couple has two sons, Tommy, 19, junior letterman split receiver at Baylor, and Ty, 12, and two daughters, Kelly, 18, a BU freshman, and Tracy, 15.

## **RON HARMS**

### **OFFENSIVE BACKFIELD COACH**

Ron Harms brought an impressive set of credentials with him when he joined Coach Grant Teaff's staff as an offensive backfield coach on March 1.

The personable 39-year-old Houston native had served as offensive coordinator for two-time National NAIA champion Texas A&I where his explosive maneuvers helped the Javelinas lead the nation in rushing in both 1974 and 1975. His 1975 unit led the nation in total offense with an average of 470 yards a game.

"Ron made a tremendous contribution to our offense in spring training," Teaff noted. "He not only has an excellent knowledge of offensive football, but being a *former line coach* has that extra something that enables him to improvise and get the best out of every possible play."

Harms is a 1959 Valparaiso University graduate and received his Masters degree in education from Wayne State University. He has accumulated 131.5 quarter hours of work toward his doctorate.

Harms served as assistant football coach and track coach at Lutheran HS, Harper Woods, Mich., from 1959-62 and then joined the staff at Concordia College, Seward, Neb. He was named head coach at Concordia in 1964 and also served as athletic director.

In 1970 Harms was named head coach at Adams State College, Alamosa, Colo., and had the co-championship team in 1971 and the championship team in 1972. His school record was 21-14.

Harms joined Texas A&I as offensive coordinator in 1974.

Harms and his wife, Marlene, are parents of four children, Cynthia 15, Daniel 13, Elizabeth 10, and Joseph 6.

## **BILL HICKS**

### **DEFENSIVE LINE**

The son of a Baptist minister, a former Baylor All-Southwest Conference center and academic All-America, William Douglas (Bill) Hicks is right at home as defensive line coach for Grant Teaff.

The Arkansas native who was named center on the "All 1960's" decade team at Baylor has known nothing but success as a player and coach. His Little Rock Central High School team had a 33-game winning streak when he was the all-state center and he was all-SWC in 1959, 1960, and 1961 for the Bruins. After graduation Hicks spent two years as

assistant coach for the freshman team as a graduate student, then went to Texas A&I where he was a varsity assistant until 1966 when he joined Jim Carlen's West Virginia staff. In 1969 he was brought back to Baylor by Bill Beall and was one of three holdovers retained by Teaff when he took over.

Hicks played in the 1960 Gator Bowl, the 1961 Gotham Bowl, and in the North-South All-Star game after his senior year. Married to the former Iris Neill of Midland, Hicks has four children, Janie, 11, Doug, 9, Wendy, 6, and Clint, 4.

## **BILL LANE**

### **DEFENSIVE ENDS**

Defensive end coach Bill Lane believes in Grant Teaff and Baylor University. He believes to the extent that when Teaff left Angelo State University to take the Bruin position, he recommended Lane as his successor. Lane was offered the job, but decided to follow Teaff, "a man I can work for every day and feel that I don't have to compromise a thing."

The Denison native is another member of Teaff's team to wear a Balfour ring symbolic of winning a state championship in the rugged Texas high school ranks. His 1968

Daingerfield team won the Class AA title before he joined Teaff in the rebuilding job at Angelo State. His record the last three years at Daingerfield was an impressive 37-5.

A former all-district lineman at Denison, Lane played two years at San Angelo College then went to Stephen F. Austin where he picked up two letters. He was assistant at Daingerfield seven years and was head coach five years. He is married to the former Barbara Stanfield of Tyler and the father of two sons, Kirk, 18, a Baylor freshman athlete, and Kyle, 13. Recruits in Dallas-East Texas area.

## **JOHN O'HARA**

### **TIGHT ENDS**

Dynamic young John O'Hara coaches like he played football, giving 110 per cent all of the time. Mature beyond his years but with the intensity and excitement of a teenager, he is one of the most popular members of Coach Grant Teaff's Baylor staff.

O'Hara joined the staff just in time for fall drills in 1973, coming to Baylor from Midland Lee High School where he had served as offensive coordinator for two years.

O'Hara is a native of Elk City, Okla., where he was an all-state center-linebacker. He played freshman

football at Oklahoma University in 1963, then transferred to Panhandle State College at Goodwell, Okla., where he captained the football team three years and was all-conference both ways for three seasons. He was voted the conference's outstanding athlete as a senior and graduated in 1967.

O'Hara was head coach at Mangum, Okla., High School in 1967, then joined the staff at Amarillo Palo Duro where he served three seasons as linebacker coach and offensive line coach. He moved to Midland Lee in 1971 where he was line coach and offensive coordinator.

"I could hardly wait to get to Baylor University," O'Hara said.

"When Coach Teaff phoned me and offered me the job I didn't sleep the rest of the night. He is a dynamic coach and a tremendous person. I just hope I can contribute to his program."

O'Hara and his wife, Sandra, are parents of two sons, Chad, 9, and Koby, 6, and a daughter, Shelley, 18 months.

## WADE TURNER

### DEFENSIVE BACKFIELD

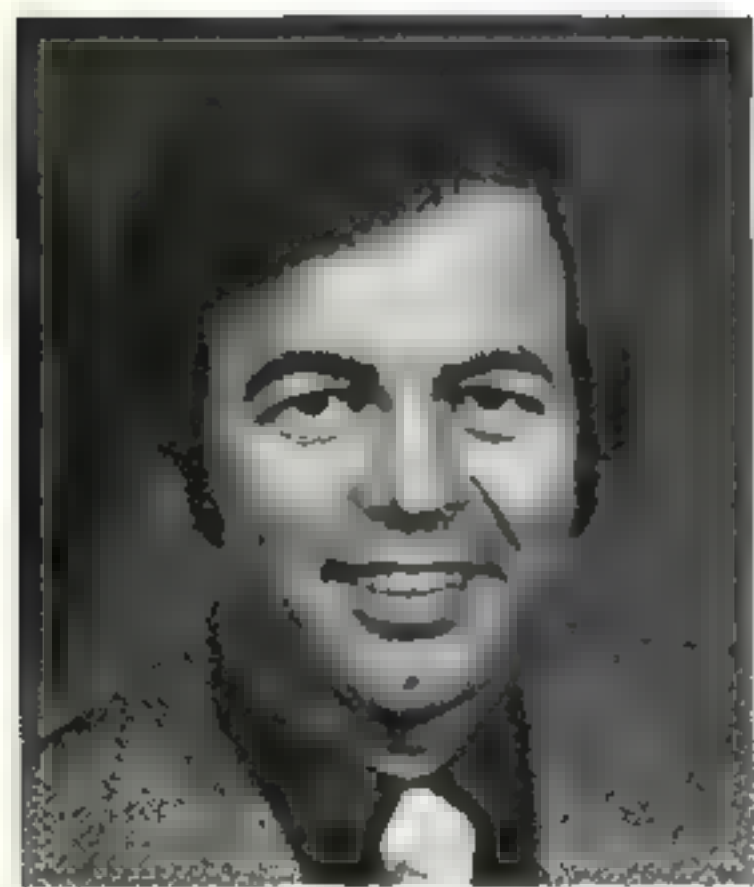

Wade Earl Turner takes the abuse of his fellow coaches because of his size, but when coaching defensive backs he seems 10 feet tall.

The Brady native was one of the first persons Grant Teaff contacted when he accepted the Baylor job. "Wade and I have coached together a long time, we share the same coaching philosophy," Teaff said.

Turner was an all-district running back at Brady High School. He played three years at San Angelo College, making all-conference in 1955. He transferred to Stephen F.

Austin where he played halfback in 1957 and 1958. He received both his bachelor's and master's degrees in 1959 and immediately joined the Angelo State staff as football assistant, baseball and track coach. He and Teaff joined forces in 1969 and he was defensive coordinator in 1970 and 1971 as the Rams led the conference in rushing defense one season and were second the next. His golf team won the crown in 1971 and placed eighth nationally.

Turner and his wife, Madonna, are parents of two children, Kimberly, 14, and Allison, 11. He recruits in the Gulf Coast-South Texas area.

Catfish really needs no introduction to Texas sports fans. He was a legend as a high school mentor at Carey, Borger, Longview, and Mt. Vernon and posted 26 straight wins over a three-year period. At Carey

his team won the state championship and Catfish is one of the few

men who ever went undefeated in an entire high school basketball season, achieving this feat at Mt. Vernon in 1948 as they won the state title. In 1947 his Mt. Vernon football team also was undefeated.

# BASKETBALL OUTLOOK FOR 1976-77

Coach Carroll Dawson lost only one player off his entire 1975-76 basketball team, recruited three of the top performers in the country, and is looking forward with high expectations to the upcoming season.

Heading the list of returnees is 6-8 Larry Spicer, the co-freshman of the year in the Southwest Conference last season with outstanding statistics—15.4 points and 8.4 rebounds per game average.

Then there's the 1974-75 frosh of the year, junior-to-be Tony Rufus who contributed a 12.4 average and 7.6 rebounds to the Bruin cause last season. Adding to Dawson's smiles are Arthur Edwards (8.5 and 6.4), Tom Callahan (8.4 and 1.4), Bill Carlisle (8.1 and 2.1), Gary McGuire (6.9 and 4.1), George Jones (6.5 and 0.7), Sherman Patton (5.0 and 2.4), Jeff Miller (3.2 and 2.7), Craig Bishop (3.0 and 1.7), Maurice Callis (1.2 and 0.6), and Brett Blackwell (1.0 and 0.0).

Dawson and chief assistant Jim Haller had a fine recruiting year with two outstanding jucos and one high school All-America.

Donning the Green and Gold for the first time will be jucos Russ Oliver, 6-5, of Parkland JC, Champaign, Ill., who averaged 24.4 points and 16.2 rebounds a game, and Larry Rogowski, 6-0 guard who was All-Illinois juco for DuPage JC, Glen Ellyn, Ill. Tom Norris, an outstanding playmaking guard who was All-State at Oak Park, Ill., with a 20.2 scoring average and 9.5 assists, rounds out the newcomers.

Again the Bears will take on the best in the nation. Coming to Waco will be Drake University and Pan American. The Bears will take part in two outstanding holiday tournaments: the Sun Bowl Tournament at El Paso Dec. 17 and 18, and the prestigious All-College Tournament at Oklahoma City Dec. 27-30.

## PLAYER COMMITTEE

A player committee, headed by co-captains Flynn Bucy and Rell Tipton, serves as a liaison group between the players and Head Coach Grant Teaff on policy-making matters and discipline.

Elected to the player committee this spring were seniors Gary Green, Johnny Slaughter, Cleveland Franklin, Gary Gregory, Mark Jackson, Alcy Jackson, Mike Nelms, and Shane Nelson. Appointed to the committee were junior Gary Blair and sophomore Ron Barnes. A freshman representative will be named when that group reports on campus.

In addition to advising Coach Teaff, members of the committee will be appointed game co-captains to serve with Tipton and Bucy prior to each game.

## GOLDEN WAVE BAND

The high-stepping, smooth-sounding Baylor Golden Wave Band will accompany the Bruin football team on four Southwest Conference road trips this fall—Texas A&M, Rice, TCU, and Texas Tech.

Dick Floyd is in his fourth year as director of the Golden Wave Band, assisted by assistant director Andy Russell, graduate assistant Mike Haithcock and announcer Dr. Jerry Johnson.

David Stapp, graduate student in music education from Crowell, and Don Richardson, sophomore music education major from Irving, are drum majors.

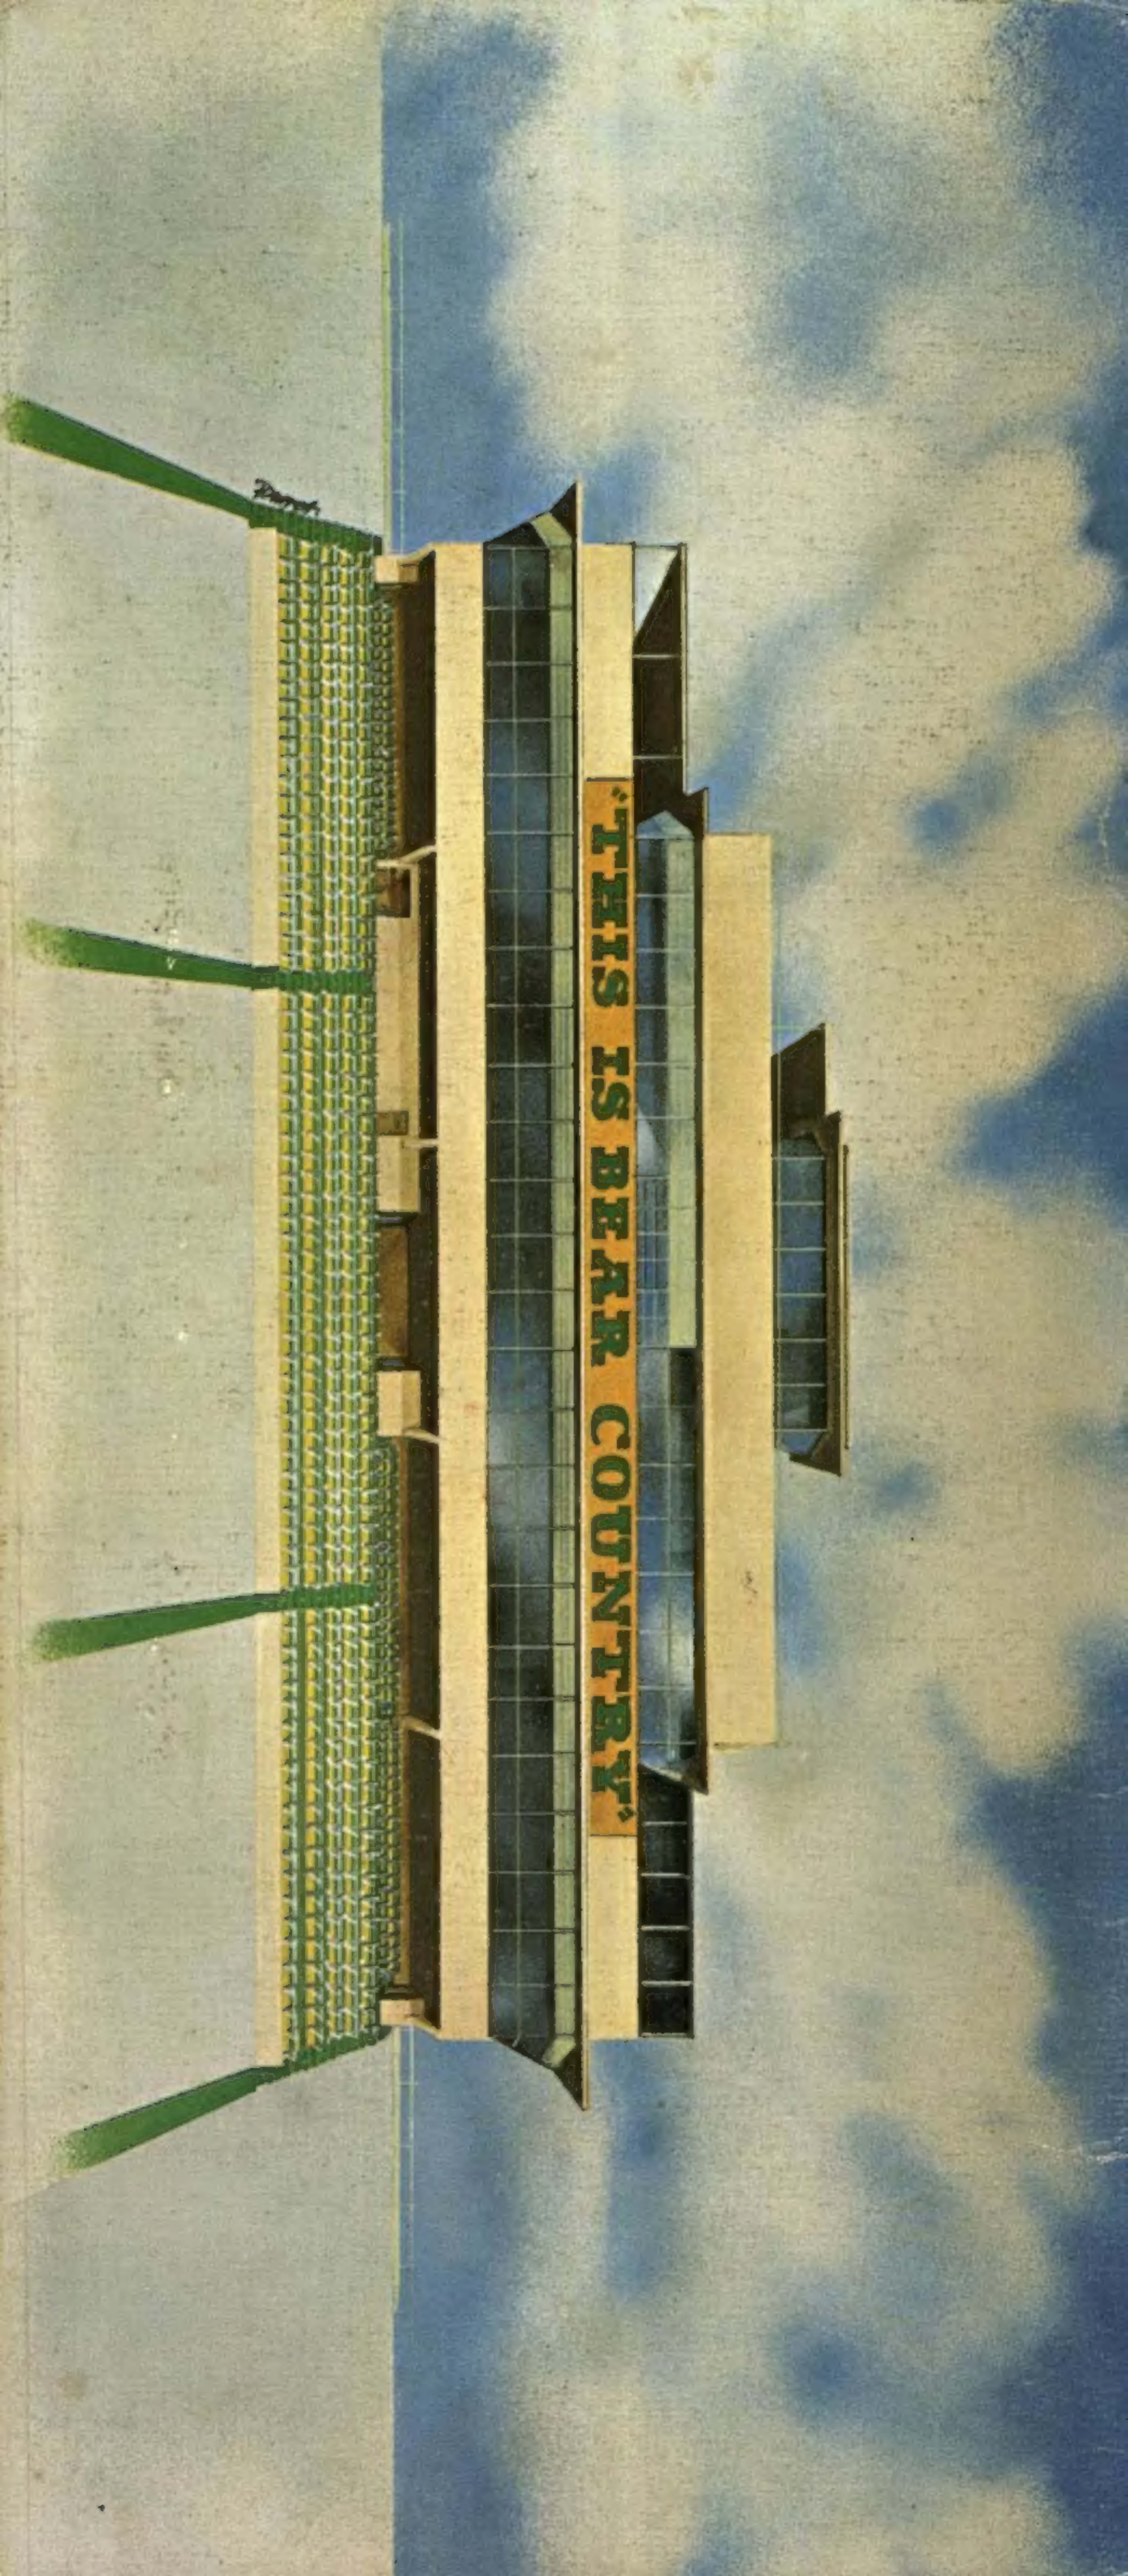

Featured twirlers are Jimmy Whitfill, senior music education major from Garland, and Elaine Williams, freshman physical education major from Spring.

Golden Girls are Karen Cason, senior journalism major from San Antonio; Carmen Chapa, sophomore music major from San Benito; Carol Dearing, sophomore biology major from Greenville; Beverly Hormuth, sophomore education major from San Antonio; Danette McNew, sophomore pre-dental major from Quinlan; Karen Walters, sophomore education major from Houston; Karen Glenewinkel, freshman music major from Luling; and Sally Maldonado, freshman psychology major from Houston.
